

TLAB Parental Commitment

I will support my child's / children's participation in TLAB by:

1. Ensuring commitment to t.Lab's Top 1% academic performance goal by understanding and meeting required levels of participation. (See the Parental Checklist on the Student Management System).
2. Ensuring completion and follow through in the areas specified in my child's learning plan. (At 95% participation levels).
3. Attending and participating in all parent university meetings, special sessions and training addressing a variety of education/professional development subjects, while meeting the 90% attendance threshold.
4. Full participation and submitting Parental Weekly Review feedback at a level of 95% or better. This would include students generating weekly meeting minutes.
5. Ensuring that my child establishes and uses the t.Lab academic regimen for purposes of guiding academic activity while realizing enhanced levels of accountability and responsibility.
6. Completing leadership assessments and improvement plans for my child on an annual basis, while encouraging my child to be an active and engaged participant in their quest for academic excellence and exceptional leadership performance (Top 1%).
7. Making sure she / he will have access to a computer at home, local library, or at a TLAB facility. As well, ensuring that my student will only access approved content while participating at TLAB@DWO.
8. Completing all scheduled tutoring sessions on time with a great attitude, while meeting required tutoring process requirements.

9. Submitting to requirements consistently. Two (2) consecutive instances of failure to participate/submit will lead to an automatic suspension of all TLAB Services.

10. Paying the monthly fee for access to designated learning systems and programs on time including missed tutoring sessions.

11. Supporting the TLAB events and fundraisers with a minimum purchase or sale of a minimum of 2 tickets per major event each calendar year.

12. We will seek excellence and pursue the highest possible score on ACT and SAT including taking examinations on multiple occasions. I understand a lack of participation in TLAB and delinquency in financial support will generate an automatic suspension to services provided by TLAB. A payment of \$75 will be required to restore services.

I understand that a lack of participation in TLAB and delinquency in financial support is cause for suspension of all services provided by TLAB.
