

TLAB@DWO
Parent and Student Commitment

We support and will actively engage in observing the policies, principles and rules of TLAB@DWO by:

- Ensuring follow through in the areas specified in our individual curriculum. (At least suggested minimum levels).
- When possible, attending and participating in special meetings and training addressing a variety of education/professional development subjects.
- Encouraging and being a role model for academic excellence and exceptional leadership performance.
- Ensuring adherence to scheduled computer resource time at a TLAB facility, home, or local library. **As well, ensuring that only registered student's access and use TLAB approved systems and content. Students are not permitted to use TLAB or its resources to access unapproved content. Accessing unapproved content may result in immediate dismissal from TLAB.**
- Supporting TLAB events and fundraisers with a minimum purchase or sale of tickets per calendar year.
- Paying the monthly fee for access to designated learning systems and programs.

I understand a lack of participation in TLAB and delinquency in financial support is cause for suspension to access of software and services provided by TLAB.
